

Mt. Vernon Village Townhouse Association General Membership Meeting

WHEN: Tuesday, March 19, 2024

TIME: 7:00 PM

WHERE: MVV Clubhouse

The agenda will include an update on our budget, past business, and committee reports. We will also be electing 3 new board members. This year we have 6 candidates running. Please plan to attend this important meeting to cast your vote. Last month you were mailed a form to vote by proxy. If you are unable to attend this meeting, please designate another resident to cast your vote in your absence. (You will need to sign the proxy for them.) If you have misplaced your proxy, we will make extras available at the clubhouse in the basket to the left of the door. Only one vote is allowed per household. Renters may vote if designated by their landlord with a signed proxy if their landlord will not be present to vote. Statements below appear as they were submitted. Thanks to all candidates for wanting to help serve our community!

Maggie Hayden

My name is Maggie Hayden and many of you may know me from my walks around the condo circle with my husband Gary High and Charlie, our happy Golden Retriever. (You may have also seen me on your Ring doorbell when I delivered the condo newsletter.) I retired as a Labor/Delivery Postpartum nurse over 4 years ago and have lived here for 6 years. As a people person, it didn't take me long to understand that MVV has a level of community and connection with people that many neighborhoods don't enjoy. I appreciate what this Condo Board has been doing to make Mount Vernon Village a better and safer place for us all to live, and I would like to help. Please vote for me. I hope if I get elected, I will be chosen to serve on the Welcoming Committee.

Keith Lovell

I'm Keith Lovell and I've been serving on the Grounds Committee for the Board for about ten years. (My wife is happy about this because she knows after my retirement that I would need something to do, or I would drive her crazy!) I do like staying busy and most of y'all have seen me helping Kirk on various projects. I like being part of this condo board. We are a cohesive group who very well together. It's not been easy, but we are working hard to prioritize and make the much-needed improvements within our budget. (A new sprinkler system is one of those items!) I want to continue to be a part of that. I hope you will keep me on your Board. Thank you!

Susie Price

I have lived here for 5 years. Before moving here, I owned a condo in West Seattle, where I served for 10 years on their board on the landscaping committee. In 2014 I retired from Tiffany & Company. MVV is a great place to live! It feels secure and friendly. I love meeting people and their dogs when I am out walking my own shih tzu "fur babies". I especially love working to beautify the grounds! In the past few years I have planted over 400 gladiola bulbs around our pool area and the seasonal annuals in our entry way as you drive in. I feel that I can contribute to the positivity that the board is working to achieve as they move forward in maintaining our property values. I am happy and honored to serve on the board however I may be needed. Thank you!
